- g. Text Amendment to the Watertown Subdivision Regulations to Section 7 Open Space and Recreational Areas

Section 7.2 Size

Delete: “ Required open space and or recreation areas may be up to ten percent of the property under consideration.”

Add: Required open space shall be 15% of property under consideration, unless the Commission determines with a $\frac{3}{4}$ vote (6 members) of approval to waive this provision that a lesser area is sufficient to satisfy the need determined by the Commission or that such a reservation is not necessary or otherwise not feasible.

Section 7.5 Conditions of Open Space and/Or Recreation Land

Section 7.5.4

Delete: The Commission requires that at least **50%** of the land designed as open space shall be land classified as Upland Soil by the **Litchfield County Soil Survey, Litchfield Connecticut.**

Add: The Commission requires that at least **{75%}** of the land designed as open space shall be land classified as upland soil by the **Soil Survey of Litchfield County, Connecticut Soil as amended. The land area**

reserved for open space may contain areas of wetlands (as determined by a certified soil scientist) and steep slopes (in excess of 12%) provided that the percentage of land in these categories does not exceed the percentage of land in these categories for the entire tract.

Add: The Commission may waive this requirement **(Add) with a ¾ vote (6 members) of approval**, if the applicant demonstrates that the designation of additional upland areas as open space will result in the preservation of site features as aforementioned, that would not be protected otherwise or the Commission determines that the non-upland areas have special habitat or are more environmentally significant.
