Dear Watertown Citizen,

In the past, stolen property has been brought into, and then sold to, local area pawn shops. There is always the possibility that your property may have recently been sold to a pawn shop.

Along with this letter, we are providing you with an updated list of all Waterbury area pawn shops. Since it is much easier for the actual property owner to identify their personal property, we recommend that you visit the pawn shops to see if your property was brought in. The Watertown Police Department will continue to conduct pawn shop checks whether or not you choose to visit the pawn shop(s) yourself. If you do locate your stolen property, you do not and will not have to pay to get it back. If you locate any of your property, you are to then contact the Watertown Police Department (860-945-5200) and report that information to an officer who can make appropriate arrangements to recover your property.

Also, if you find any additional items missing, please fill out the attached Items Stolen in Burglary or Larceny form. Fill this form out as completely as possible and return it to the Watertown Police Department, as soon as reasonably possible, in order to assist our efforts in the recovery of your property.

Thank You,

Watertown Police Department
